Division of Minority and Women's Business Development
A Division of Empire State Development
DEFINITION OF GOOD FAITH EFFORTS

5 NYCRR §142.8 - Contractor's good faith efforts

(a) The contractor must document its good faith efforts toward meeting certified minority- and women-owned business enterprise utilization plans by providing, at a minimum:

(1) Copies of any solicitations of certified minority- and/or women-owned business enterprises listed in the New York State Directory of certified businesses, and any responses thereto;

(2) If responses to the contractor's solicitations were received, but a certified minority- or woman-owned business enterprise was not selected, the specific reasons that such enterprise was not selected;

(3) Copies of any advertisements for participation by certified minority- and women-owned business enterprises timely published in appropriate general circulation, trade and minority- or women-oriented publications, together with the listing(s) and date(s) of the publication of such advertisements;

(4) The dates of attendance at any pre-bid, pre-award, or other meetings, if any, scheduled by the State agency awarding the State contract, with certified minority- and women-owned business enterprises which the State agency determined were capable of performing the State contract scope of work for the purpose of fulfilling the contract participation goals;

(5) Information describing the specific steps undertaken to reasonably structure the contract scope of work for the purpose of subcontracting with, or obtaining supplies from, certified minority- and women-owned business enterprises.

(b) In addition to the information provided by the contractor in paragraph (a) above, the State agency may also consider the following to determine whether the contractor has demonstrated good faith efforts:

(1) Whether the contractor submitted an alternative utilization plan consistent with the subcontract or supplier opportunities in the contract;

(2) The number of certified minority- and women-owned business enterprises in the region listed in the directory of certified businesses that could, in the judgment of the State agency, perform work required by the State contract scope of work;

(3) The actions taken by the contractor to contact and assess the ability of certified minority- and women-owned business enterprises located outside of the region in which the State contract scope of work is to be performed to participate on the State contract;

(4) Whether the contractor provided relevant plans, specifications or terms and conditions to certified minority- and women-owned business enterprises sufficiently in advance to enable them to prepare an informed response to a contractor request for participation as a subcontractor or supplier;

(5) The terms and conditions of any subcontract or provision of suppliers offered to certified minority- or women-owned business enterprises and a comparison of such terms and conditions with those offered in the ordinary course of the contractor's business and to other subcontractors or suppliers of the contractor;

(6) Whether the contractor offered to make up any inability to comply with the certified minority- and women-owned business enterprises goals in the subject State contract in other State contracts being performed or awarded to the contractor; and

(7) Any other information that is relevant or appropriate to determining whether the contractor has demonstrated a good faith effort.

The New York Power Authority (“Authority”) is requesting proposals to design, construct, install, finance, own, operate, maintain, and decommision solar PV systems at the customer sites (“Project Sites”) pursuant to terms and conditions in the form of a 20 Year Power Purchase Agreement (PPA), which will be negotiated between the Authority and the Successful Proposer based on the contract option and the Authority’s terms and conditions as set forth in Appendix E, and Appendix G, with no upfront developmental cost to the Authority or the City of New York (“City” or “NYC”). In addition to the Standard PPA Option found in Appendix E, an up-front Purchase Option, subject to the term sheet attached in Appendix G, which will serve as the foundation of a further definitive agreement to be negotiated between the parties should any of these three options be selected. Through this Request for Proposals (“RFP”), the Authority is seeking to obtain competitively-priced proposals. For the Cost Sheets found in Appendix B, it is strongly advised that all three options be completed. The Standard PPA Option is mandatory. All attachments referenced above are located within the Ariba event.

Pursuant to State Finance Law § 139-j and § 139-k, this solicitation includes and imposes certain restrictions on communications between NYSIF personnel and a prospective bidder during the procurement process. Designated staff for this solicitation is Megan McClune & Alan Angelo, NYSIF, 15 Computer Drive West, Albany NY 12205, contracts@nysif.com. Contacts made to other NYSIF personnel regarding this procurement may disqualify the prospective bidder and affect future procurements with governmental entities in the State of New York.

NYSIF is committed to achieving its goal of increasing opportunities for New York State Minority and Women’s Business Enterprises (M/WBE) and Service-Disabled Veteran Owned Businesses (SDVOB). Any company that feels it may meet the state requirements for MWBE certification but has not done so already is also encouraged to visit the NYS Empire State Development website at http://www.esd.ny.gov/MWBE.html for more information. We encourage any firm that believes it meets the state requirements for SDVOB certification to visit The Division of Service-Disabled Veterans’ Business Development within the NYS Office of General Services (OGS) at https://ogs.ny.gov/Veterans/.

### Section 3 Employment Opportunities

WDF supports hiring Section 3 of the Housing and Urban Development (HUD) mandate that requires employment and other economic opportunities generated by federal assistance to public housing authorities to be directed, whenever possible, to public housing residents and other low and very low income residents to work on all of our New York City Housing Authority (“NYCHA”) projects. WDF supports hiring Resident Employment Program (REP), which requires that 15 percent of the labor amount of NYCHA construction contracts greater than $500,000 be spent on resident hiring. To that end, WDF’s approach to meet NYCHA Section 3 requirement and our past Section 3 performance has been to commit to working with Resident Economic Empowerment Sustainability Department (REESE) to source Category 1 and 2 residents. WDF is dedicated to meet with resident organizations and community workforce development centers located within the neighborhood in which the project is located to partner in Section 3 resident employment recruitment.
