Each bid must be identified, on the outside of the envelope, with the name and address of the bidder and designated a bid for the Project titled above. When a sealed bid is placed inside another delivery jacket, the bid delivery jacket must be clearly marked on the outside “BID ENCLOSED” and “ATTENTION: CONSTRUCTION CONTRACTS.” DASNY will not be responsible for receipt of bids which do not comply with these instructions.

The Dormitory Authority of the State of New York (“DASNY”) has determined that its interest in obtaining the best work at the lowest possible price, preventing favoritism, fraud and corruption, and other considerations such as the impact of delay, the possibility of cost savings advantages and any local history of labor unrest are best met by use of a Project Labor Agreement (“PLA”) on this Project. The successful low bidder, as a condition of being awarded this Contract, will be required to execute the PLA described in the Information for Bidders and included in the Contract Documents. See Section 18.0 of the Information for Bidders of the Contract Documents for additional information. All subcontractors of every tier will be required to agree to be bound by the PLA.

All individuals who plan to attend pre-bid meetings or bid openings in person will be required to complete and present a DASNY Covid-19 Daily Worksite Screening Questionnaire, present government-issued picture identification to building security officials and obtain a visitors pass prior to attending the bid opening. The questionnaire and all instructions are located at Section 19.0 of the Information for Bidders.

Individuals and entities submitting bids in person or by private delivery services should allow sufficient time for processing through building security to assure that bids are received prior to the deadline for submitting bids.

All bid openings will be made available for viewing online via Zoom at www.zoom.us. To enter the meeting, select “Join a Meeting” then enter Meeting ID 353 471 6521, Password 351895. Individuals are strongly encouraged to utilize this public viewing option as an alternative to in-person attendance at bid openings.

Only those bids in the hands of DASNY, available to be read at 2:00 PM local time on September 3, 2020 will be considered. Bids shall be publicly opened and read aloud. Bid results can be viewed at DASNY’s website; http://www.dasny.org.

For more information pursuant to this law, refer to DASNY’s website; http://www.dasny.org or the OGS website; http://www.ogs.state.ny.us.
