NEW YORK STATE
MINORITY- AND WOMEN-OWNED BUSINESS ENTERPRISE ("MWBE") CERTIFICATION

Empire State Development’s Division of Minority and Women’s Business Development grants a Minority Business Enterprise (MBE)
pursuant to New York State Executive Law, Article 15-A to:

Independent Media Sales & Service, Inc. DBA Minority Commerce Weekly
DEFINITION OF GOOD FAITH EFFORTS

5 NYCRR §142.8 - Contractor's good faith efforts

(a) The contractor must document its good faith efforts toward meeting certified minority- and women-owned business enterprise utilization plans by providing, at a minimum:

1. Copies of any solicitations of certified minority- and/or women-owned business enterprises listed in the New York State Directory of certified businesses, and any responses thereto;

2. If responses to the contractor’s solicitations were received, but a certified minority- or woman-owned business enterprise was not selected, the specific reasons that such enterprise was not selected;

3. Copies of any advertisements for participation by certified minority- and women-owned business enterprises timely published in appropriate general circulation, trade and minority- or women-oriented publications, together with the listing(s) and date(s) of the publication of such advertisements;

4. The dates of attendance at any pre-bid, pre-award, or other meetings, if any, scheduled by the State agency awarding the State contract, with certified minority- and women-owned business enterprises which the State agency determined were capable of performing the State contract scope of work for the purpose of fulfilling the contract participation goals;

5. Information describing the specific steps undertaken to reasonably structure the contract scope of work for the purpose of subcontracting with, or obtaining supplies from, certified minority- and women-owned business enterprises.

(b) In addition to the information provided by the contractor in paragraph (a) above, the State agency may also consider the following to determine whether the contractor has demonstrated good faith efforts:

1. whether the contractor submitted an alternative utilization plan consistent with the subcontract or supplier opportunities in the contract;

2. the number of certified minority- and women-owned business enterprises in the region listed in the directory of certified businesses that could, in the judgment of the State agency, perform work required by the State contract scope of work;

3. The actions taken by the contractor to contact and assess the ability of certified minority- and women-owned business enterprises located outside of the region in which the State contract scope of work is to be performed to participate on the State contract;

4. whether the contractor provided relevant plans, specifications or terms and conditions to certified minority- and women-owned business enterprises sufficiently in advance to enable them to prepare an informed response to a contractor request for participation as a subcontractor or supplier;

5. the terms and conditions of any subcontract or provision of suppliers offered to certified minority- or women-owned business enterprises and a comparison of such terms and conditions with those offered in the ordinary course of the contractor’s business and to other subcontractors or suppliers of the contractor;

6. whether the contractor offered to make up any inability to comply with the certified minority- and women-owned business enterprises goals in the subject State contract in other State contracts being performed or awarded to the contractor; and

7. any other information that is relevant or appropriate to determining whether the contractor has demonstrated a good faith effort.
NYPA Builds Powerful Relationships With MWBEs

The New York Power Authority (NYPA), the largest state electric utility in the nation, values working with minority- and women-owned business enterprises (MWBEs).

NYPA’s Supplier Diversity Program has done more than $900 million in business with MWBEs. We continually look for purchasing opportunities that will build relationships with companies providing new ideas and perspectives in...

• Sustainability
• Energy Efficiency

NOTICE TO BIDDERS

Office for People with Developmental Disabilities
Staten Island DDSO
Repair and Replacement of Exterior Platforms, Stairs, and Ramps and Asbestos Abatement
CR5 General Construction
Project Number 3527309999

Sealed bids for the above Work located at Staten Island DDSO, 930 Willowbrook Road, Staten Island, NY 10314 will be received by DASNY at its office located at 515 Broadway, Albany, NY 12207. Each bid must be identified, on the outside of the envelope, with the name and address of the bidder and designated a bid for the Project titled above. When a sealed bid is placed inside another delivery jacket, the bid delivery jacket must be clearly marked on the outside “BID ENCLOSED” and “ATTENTION: CONSTRUCTION CONTRACTS – DOMINICK DONADIO.” DASNY will not be responsible for receipt of bids which do not comply with these instructions.

The Dormitory Authority of the State of New York (“DASNY”) has determined that its interest in obtaining the best work at the lowest possible price, preventing favoritism, fraud and corruption, and other considerations such as the impact of delay, the possibility of cost savings advantages and any local history of labor unrest are best met by use of a Project Labor Agreement (“PLA”) on this Project. The successful low bidder, as a condition of being awarded this Contract, will be required to execute the PLA described in the Information for Bidders and included in the Contract Documents. See Section 18.0 of the Information for Bidders of the Contract Documents for additional information. All subcontractors of every tier will be required to agree to be bound by the PLA.

Individuals and entities submitting bids in person or by private delivery services should allow sufficient time for processing through building security to assure that bids are received prior to the deadline for submitting bids. All individuals who plan to attend bid openings will be required to present government-issued picture identification to building security officials and obtain a visitors pass prior to attending the bid opening.

Only those bids in the hands of DASNY, available to be read at 2:00 PM local time on June 23, 2020 will be considered. Bids shall be publicly opened and read aloud. Bid results can be viewed at DASNY’s website; http://www.dasny.org.

In accordance with State Finance Law § 139-j and § 139-k, this solicitation includes and imposes certain restrictions on communications between DASNY personnel and a prospective bidder during the procurement process. Designated staff for this solicitation is: Layla Bahbahani, Project Manager, 930 Willowbrook Road, Building 13-K, Staten Island, New York 10314, 718-982-5132, lbahbaha@dasny.org (the Owner’s Representative) and DASNY at econtracts@dasny.org. Contacts made to other DASNY personnel regarding this procurement may disqualify the prospective bidder and affect future procurements with governmental entities in the State of New York. For more information pursuant to this law, refer to DASNY’s website; http://www.dasny.org or the OGS website; http://www ogs.state.ny.us.

A Pre-Bid Meeting will be held on Tuesday, June 2, 2020 at 10:30 AM at 930 Willowbrook Road, DASNY Field Office, Building 13-K, Staten Island, New York 10314. Contact Layla Bahbahani at 718-982-5132. All prospective bidders are strongly encouraged to attend.

Prospective bidders are advised that the Contract Documents for this Project contain new “GENERAL CONDITIONS FOR CONSTRUCTION” dated May 1, 2018 that contain significant revisions from those documents previously contained in DASNY’s Contract Documents. Prospective bidders are further advised to review applicable sections of these General Conditions for any potential impact on their bid price prior to submittal of the bid.

A complete set of Contract Documents may be viewed and/or purchased online from Camelot Print and Copy Centers. Only those Contract Documents obtained in this manner will enable a prospective bidder to be identified as an official plan holder of record. DASNY takes no responsibility for the completeness of Contract Documents obtained from other sources. Contract Documents obtained from other sources may not be accurate or may not contain addenda that may have been issued. In addition, prospective bidders are advised that the Contract Documents for this Project contain new “GENERAL CONDITIONS FOR CONSTRUCTION” dated May 1, 2018 that contain significant revisions from those documents previously contained in DASNY’s Contract Documents. Prospective bidders are further advised to review applicable sections of these General Conditions for any potential impact on their bid price prior to submittal of the bid. Contract Management System
RFI NYSIF 2020-60-IT

NYSIF is seeking information from qualified firms capable of providing a Contract Management System, as further described in the Request for Information (RFI). There will not be a contract award for purchase of services or products directly resulting from this RFI. However, we may use this information garnered from the RFI process in future procurement(s). Respondents will be placed on a mailing list and will receive an announcement of any subsequent Request for Proposals (RFP) that may arise from the RFI. Any decision to subsequently issue an RFP for such services will be at the sole discretion of NYSIF, and NYSIF is under no obligation to initiate such an RFP.

The solicitation document may be obtained from NYSIF’s Procurement website at www.nysif.com/procurement. Interested parties should e-mail contracts@nysif.com with any questions. Please include “NYSIF 2020-60-IT” in the subject line of the e-mail.

All amendments, clarifications and any announcements related to this procurement will be posted on NYSIF’s website at: www.nysif.com/procurement. It is the sole responsibility of the bidders to check the website for any amendments, clarifications or updates. All applicable amendment information must be incorporated into the firm’s proposal. Failure to include this information in your proposal may result in the proposal being deemed non-responsive.

Proposals from responsible bidders are due 5/13/20 by 2:00 p.m. EST. The calendar of events is detailed in the RFI.

Pursuant to State Finance Law § 139-j and § 139-k, this solicitation includes and imposes certain restrictions on communications between NYSIF personnel and a prospective bidder during the procurement process. Designated staff for this solicitation is Vincent Ginardi & Heather Baumann, NYSIF, 15 Computer Drive West, Albany NY 12205, contracts@nysif.com. Contacts made to other NYSIF personnel regarding this procurement may disqualify the prospective bidder and affect future procurements with governmental entities in the State of New York.

NYSIF is committed to achieving its goal of increasing opportunities for New York State Minority and Women’s Business Enterprises (M/WBE) and Service-Disabled Veteran Owned Businesses (SDVOB). Any company that feels it may meet the state requirements for MWBE certification but has not done so already is also encouraged to visit the NYS Empire State Development website at http://www.esd.ny.gov/MWBE.html for more information. We encourage any firm that believes it meets the state requirements for SDVOB certification to visit The Division of Service-Disabled Veterans’ Business Development within the NYS Office of General Services (OGS) at https://ogs.ny.gov/Veterans/.

REQUEST FOR PROPOSAL No. 20-062

Professional Services for Program Management Office (PMO) Oversight of the NJ TRANSIT State of Good Repair Program (NJTSGRP)

The New Jersey Transit Corporation (NJ TRANSIT) is issuing this Request for Proposals (RFP) to solicit professional firms for the Program Management Office (PMO) Oversight of the NJ TRANSIT State of Good Repair Program (NJTSGRP). This program involves NJ TRANSIT’s repair or rehabilitation of customer-facing facilities up to the authorized program budget. The Program will be executed in four (4) phases: Formulation/Assessment Phase (Task 1), Planning Phase (Task 2), Procurement and Execution/Delivery Phase (Task 3) and Closeout Phase (Task 4).

All firms submitting Proposals for this project must have related experience of a similar magnitude. NJ TRANSIT is requesting Proposals from firms with the intention of awarding a contract to the organization(s) whose qualifications and Proposal offers the best value to NJ TRANSIT. Background information, project description, Scope of Services, instructions for Proposers and evaluation criteria can be obtained by contacting the Procurement Intake Unit at the address below or via e-mail at intakeunit@njtransit.com.

NJ TRANSIT will not hold an in-person meeting for the Pre-Proposal Conference. The Pre-Proposal Conference will be held utilizing a telephone and video conference via Microsoft Teams which is scheduled for May 6, 2020 at 10:00 a.m. for the purpose of answering questions, providing directives, and providing clarification. All interested firms are urged to participate. For video conferencing access information, please contact Namibia Muid, by e-mailing nmuid@njtransit.com by Thursday April 30, 2020. Telephone conference call details are as follows:

Dial-in Number: +1 862-294-4371
Conference ID: 385 973 224#

A Secure File Transfer Site (SFTS) via Microsoft OneDrive is being utilized to provide a secure method for facilitating file transfers from outside parties. Prospective proposers are required to register as an interested party by completing the “Intent to Propose Form” and submitting the Acknowledgement on or before May 29, 2020, at 3:00 p.m. and may be emailed to nmuid@njtransit.com. This form is required in order to submit a Proposal but does not bind a prospective proposer in any way. Failure to timely submit the notice of intent may result in NJ TRANSIT rejecting any proposal later submitted. Technical Proposals must be received on or before June 9, 2020 at 3:00 p.m.

NJ TRANSIT may not award a contract unless the Proposer has provided to NJ TRANSIT a valid business registration certificate issued by the Division of Revenue and Enterprise Services within the Department of the Treasury as required by N.J.S.A. 52:32-44 for itself and any Subconsultant(s). In addition, Subconsultants shall not engage in the performance of any work under this contract without a valid business registration certificate.

The successful Proposer will be required to comply with the requirements of N.J.S.A. 10:5-31 et seq. and N.J.A.C. 17:27 et seq. regarding Equal Employment Opportunity Laws and Regulations. Disadvantaged Business Enterprises, in accordance with the Department of Transportation (DOT) Regulations 49 C.F.R., Part 26, shall have the maximum opportunity to participate in the performance of this contract. A 20% DBE goal has been assigned to this project.

All proposals, contracts, laws and related documentation will be subject to the financial assistance contract between the project sponsor and the U.S. Department of Transportation, under the Federal Transit Act of 1964, as amended, based upon availability of funds.
