Vendor Responsibility

The University at Albany is pleased to announce that the New York State Office of State Comptroller has recently developed an on-line system for the submission of the Vendor Responsibility Questionnaire. This on-line questionnaire serves as a substitute for filing a hard copy each time you respond to a qualifying procurement with a New York State Agency. The on-line system will allow your company's questionnaire information to be shared with every State agency with which you may conduct business.

The Questionnaire is accessible at: <https://portal.osc.state.ny.us/wps/portal>. Please select the Enroll Now button and follow the on screen directions. Additional information regarding the Questionnaire can be found at: <http://www.osc.state.ny.us/vendrep/index.htm>

The University at Albany's Purchasing staff encourages all vendors to take advantage of this on-line system and eliminate the need to provide a hard copy questionnaire for each procurement.
